Host rewards

Host a *Vibe Event* and receive these rewards:

- 1) Automatic 15% off your personal purchases at the event
- 2) An additional 5% off your personal purchases for every \$100 your guests spend on QiGrow products at the event (\$200 spend by your guests = 25% off your personal purchases)
- 3) *Bonus* receive an additional 2.5% off your personal purchases at the event for every guest you invite
- 4) Plus you get a free Single Dose Vibration Remedy or your choice just for inviting your QiGrow *Vibe Events* Consultant into your home.

How does this all add up?

Say you invite 10 friends and family as guests you will be entitled to 25% off your own personal purchases at the event.

Lets also assume your invited guests spend between \$200 and \$299 on product at the event, you as the host will receive an additional 10% off your personal purchases, Plus you automatically receive 15% off any purchase just for having the party. So you would be entitled to a massive 50% off your personal purchases.

And, don't forget that you will receive a free Single Dose Vibration Remedy of your choice as a bonus for inviting us into your home.

Being a host for a *Vibe Event* could get you around \$100 of rewards as gifts and discounts.

Plus!! For every 3 guests that book to host their own *Vibe Event*, you will also receive a surprise free gift!

The rewards don't stop there either....
